Unity of Friends

6th Annual Chili Dump

BREAST CANCER FUNDRAISER

Suamico, WI • chilidump.com • non-profit 501c3

The Unity of Friends (UOF) 6th Annual Chili Dump in Suamico was a HUGE success! Even though the temperature was below zero, that didn't stop over 2,000 supporters from venturing out to Harbor Lights Resort on the 24th of January. The event raised \$17,000.00 to be donated to The Ribbon of Hope, a non-profit organization that supports local breast cancer patients.

Fox 11's started the morning with live footage promoting the Chili Dump on Good Day Wisconsin. As the chili heated up and the tents thawed out the fun began at 11am with plenty of food, games and prizes. Cumulus Broadcasting MC'd the event while the UOF volunteers were busy giving away hourly drawings, paddle wheel prizes and 50/50 drawings to lucky winners. Two women at the event cut their long beautiful hair for the Locks of Love program and donated the sponsorship money to the event.

Vinny D. Valentine and the Royal Flush Players rocked the tent that evening and presented the Oneida Casino Dance Contest. The evening ended with a bang, a breath taking fireworks display from Spielbauer Fireworks Co., all sponsored by [Oneida Bingo & Casino](#). The kid's tent was filled with fun games, prizes and [The Magic by Jim Lenz](#); the local magician mesmerized the crowd, sponsored by [Oneida Nation](#).

The UOF's incredible teamwork and dedication to raising money for local breast cancer patients makes the Chili Dump the place to be. This winter festival attracts people from all over Wisconsin. Hundreds of snowmobilers come from miles around to warm up to a hot cup of chili with friends while overlooking the beautiful frozen bay of Green Bay.

Sponsors donated over \$8500.00 in prizes for raffle this year. The top prize was a 2008 Sportsman 400 4X4 ATV donated by [Polaris Industries](#) and Pamp's Outboard. Get more information and see the winners on the official Chili Dump website www.chilidump.com.

The UOF in Suamico would like to thank all their supporters: including the many local generous sponsorships, area restaurants that donated chili, local bartenders volunteered their time, the snow plow service, 85 volunteers, Harbor Lights Resort and all the attendees for supporting the 6th Annual Chili Dump of 2009. Clearly, the community pulled together to help the UOF's exceed their goals.

Sincerely,

Carolyn Bartoletti 920-676-0421
